

Rudolf Steiner's Birthday: Sharing our Gratitude

*The Branch Festivals Group, Anthroposophical Society,
Greater Washington Branch*

Thursday, February 27 – 7:30-9:00 pm

At the home of the Fosters, 7717 14th Street NW, Washington, DC

Rudolf Steiner was born on February 27, 1861, in what is present-day Croatia. This remarkable individuality brought almost unimaginable riches of spiritual knowledge and practical guidance into the world.

We will gather on the evening of his birth date to honor his gifts to our lives. Each participant will be invited to share what aspect of anthroposophy has been most important to you. This may or may not be what initially drew you to anthroposophy, but rather what you have discovered in your studies or experiences that has had the deepest impact on your life.

All are welcome to join us – whether you are new to anthroposophy or a long-time student of Rudolf Steiner. The evening will be framed by lyre music, and light refreshments will be served.
