Contemplating the Resurrection – An Inner Path toward a Living Picture of Easter

Wednesday, April 16 – 7:30-9:00 pm

At the home of the Fosters, 7717 14th St. NW, Washington, DC

~ by Ninetta Sombart ~

Please gather with us for a reading and contemplative inquiry into the meaning of the Easter festival and an exploration of ways in which we may bring spiritual understanding in a living way into our earthly life. The festival will begin with a verse and lyre music, followed by a [reading](#) and conversation. It will conclude with a meditative communal stirring of biodynamic preparation #500 and the creation of a wheatgrass garden for you to take home to care for and observe.

**Please let us know *by April 13* if you plan to join us
so we can provide supplies for everyone.**
