

WHITSUNTIDE 2026

The Branch Festivals Group, Anthroposophical Society, Greater Washington Branch

Experiencing Whitsuntide through Creating Poetry

Friday, May 29 – 7:30-9:00 pm

At the home of the Fosters, 7717 14th St. NW, Washington, DC

~ Blossom, by E.F. Wen ~

*The senses' might grows strong
United with the gods' creative work;
It presses down my power of thinking
Into a dreamlike dullness.
When godly being
Desires union with my soul,
Must human thinking
In quiet dream-life rest content.*

(Rudolf Steiner, Calendar of the Soul, Verse 8)

In this second in a festival series, we will again be working with imagery and tone, in an informal workshop setting, venturing together into the language of poetry with inspiration from the verse above. We will supply paper and pencil, and you will bring your imagination! All are welcome. We will be guided by [Tina Daub](#), a working poet who has taught at several schools in the DC area and has been a long-time student of Anthroposophy.
