

The Magi and the Shepherds: A Holy Nights Gathering

*The Branch Festivals Group, Anthroposophical Society,
Greater Washington Branch*

Sunday, December 29 – 7:30-9:00 pm

At the home of the Fosters, 7717 14th Street NW, Washington, DC

~ Kerstnacht (Christmas Eve) – Marjan van Zeyl ~

“The great mystery of earth-existence was proclaimed from two sides. . .
Secrets of the cosmos were thus revealed to the hearts of the simple
shepherds in the fields, as well as to those who were the representatives of
the highest wisdom attainable by the human mind at that time.”

Please join us for an evening framed by lyre music and the lighting of
candles. We will read together Steiner’s lecture, “[The Proclamations to the
Magi and the Shepherds](#),” (click on title to access) and the evening will end
with informal conversation and light refreshments.

You are invited to bring a votive candle to share in illuminating the reading.

All are welcome! Please let us know you plan to join us.
